(You must complete the black belt registration above)

Name of style: _____
***** Exactly how you want it to appear on your Appointment certificate*****

Please submit a copy of your new styles rank requirements.

Guidelines for Founders: Founders must complete the black belt registration above. Founders usually start at the rank of 7th Degree Black Belt. This is done as a matter of respect to Grandmasters of other styles who may be older and have much more experience than the founder of a new style. Understand that for you and your new style to be respected you must first show respect to others. A Founder's age and experience also play a large role in his or her ranking. A Founder could be granted any grade 7th through 10th Degree Black Belt depending on the factors above.
